Re: Initial Air Permit Application V-Vehicle Company

Monroe, Louisiana

Dear Ms. Nolan

On behalf of V-Vehicle Company (VVC), PPM Consultants, Inc. is submitting two copies of the enclosed Minor Source Air Permit Application for the above referenced facility. The original application has been delivered to the Legal Section for processing since the document contains information that should be kept confidential. We have submitted a check for the air permit application processing fee of \$177.281.25 with the original application.

A request for expedited permit processing is included with this submittal,

Also find a copy of the Request for Confidentiality along with the copies of this application. VVC requests that the process description be kept confidential. Please note that in these public versions, all information to be kept confidential is blacked out.

If you have any questions or require any additional information regarding this matter, please contact me at (225) 293-7270.

Sincerely.

Karen Brignac
