Mrs. Laurie Burkett  
Attorney at Law  
1900 N. 18th St.  
Suite 210  
Monroe, LA 71201

Dear Mrs. Burkett:

As I told you last week I am in trial through October 15, 2010. Eric Mahaffey will respond to the details of your letter; however, I don't know what else we can tell you. As stated before, the complaints in question did not come from the Jeff Joyce Campaign. No accusation whatsoever has been made against your campaign. I will not attempt to read the mind of Roosevelt Wright. You simply need to ask him.

We have no objection to you seeking an understanding of these matters, but cannot give you any more information than what has been provided to you previously.

Regarding your request that Mr. Wright retract his article, I have had no communication with him whatsoever.

Thank you for your assistance.

Sincerely,

  
Brian E. Crawford
